Aficio™ MP 2000L2

premium performance

high-class image quality

save production time

Affordable and reliable

Robust and long-lasting

The Aficio™MP 2000L2 is a black-and-white A3 multifunctional, designed for cost-effective copying, local printing via USB, and network (option) scanning. Its low Total Cost of Ownership and high durability make this an ideal investment for a cost-conscious small office. A further advantage is its small footprint which saves office space. With a short warm-up time and a fast first copy/print speed, this device increases office productivity. Standard duplex, a high paper capacity and wide media handling capabilities extend its versatility. Full front access saves time during maintenance, while a 4-line display ensures easy operation.

- Low Total Cost of Ownership.
- Standard duplex saves time, paper and money.
- Fast: 20 pages per minute.
- User-friendly 4-line control panel.

Cost-efficient copying

REDUCE YOUR COSTS

With the Aficio™MP 2000L2 you obtain an affordable A3 multifunctional with a low Total Cost of Ownership and high durability for a long lifetime of reliable operation. Make further savings in time, paper and money by creating double-sided prints and copies thanks to standard duplexing at simplex speeds.

OPTIMISE YOUR PRODUCTIVITY

The MP 2000L2 needs less than 15 seconds to warm up, and produces its first print/copy in less than 6.5 seconds. In full flow, the device effortlessly turns out 20 pages per minute to improve office productivity. For larger print/copy jobs, simply add one or two 500-sheet paper trays to increase paper capacity to an impressive 1,600 sheets. The 'scan once, copy many' function is standard.

SIMPLE TO OPERATE

The 4-line display panel provides clear user instructions. Maximum uptime is ensured through full front access which speeds up maintenance and replacement procedures. Paper trays are provided with an optional handle for easier accessibility.

EASY NETWORKING

The MP 2000L2 enables seamless network integration thanks to its Network Interface Card (optional). A high-speed USB 2.0 interface allows easy local printing.

WIDE MEDIA VERSATILITY

Heavy or special paper can be utilized via the bypass tray, which also enables printing on envelopes. Best-in-class 600 dpi image quality allows you to produce professional, attractive documents in-house.

ENVIRONMENTALLY FRIENDLY

At Ricoh we help you lower the environmental impact of your office as well as lower your cost. The MP 2000L2 has eco-friendly and money-saving features such as short warm-up time, ultra-low sleep mode, high toner yield and standard duplexing. In addition, Ricoh products are Energy Star compliant. This means less CO2 is produced in providing the energy needed to run Ricoh devices.
