An all-in-one solution for small offices

Multitasking performance

The Aficio™MP 4001/5001 can print, copy, colour scan, fax, distribute and finish. And these all-in-one products do it fast with up to 50 pages per minute. Business efficiency is increased and user-friendliness improved with Ricoh's new App2Me software platform. Personalise your interaction with the MFP by using downloadable Widgets. Doing everything with one device and saving time and costs have never been so easy.

- Productive: 40/50 pages per minute.
- Efficient: applications for personalised settings.
- Time-saving: (colour) scan and distribute in a single step.
- Professional: finishers, Super G3/IP fax, IPDS/Postscript®3™ options.
- Secure and flexible: data protection and handling of various media types.

FLEXIBLE

Are you looking for a product that can handle many different media types? You can print covers and flyers on heavy paper up to 220 g/m². Or print on your preferred envelopes, labels, letterheads and pre-punched paper, from A5 to A3.

A wealth of possibilities

NON-STOP PRINTING

Need documents fast and in high quantities? With the MP 4001/5001 prints come out instantly due to short warm-up times and fast first output speeds. The products' large paper capacities of up to 4,400 sheets keep you going. Productivity is increased even more since you can reload empty trays while printing.

APP2ME READY

The Aficio™MP 4001/5001 devices come pre-installed with Ricoh's App2Me software platform. This new technology platform runs Widgets, enabling users to personalise how they interact with the MFP. These single-task software applications are automatically detected by any App2Me ready MFP once they are installed on a connected PC, laptop or compatible smartphone. Press the App2Me button and your Widgets will be shown on the colour display of the MFP. You will have fast access to the latest tools and applications available.

EXTENSIVE SCANNING OPTIONS

Scanning documents to e-mail, personal directory, network folder or FTP is straightforward with the MP 4001/5001. Scan in a single step from the operating panel with optional GlobalScan NX: perform the scanning operation by selecting one menu button and press start.

SECURE

Security is becoming more and more important nowadays. Prevent data abuse by erasing temporary information from the hard disk drive. Fax safely with security that conforms to the P2600* industry standard, the highest level of certification.

* P2600 certification will be available as of mid 2010.

PROFESSIONAL TOOLS

- Produce punched or stapled sets and booklets in-house.
- Achieve faster and better quality faxing with Super G3 business and IP fax options.
- Improve the data stream with optional IPDS™.
- Enjoy better print quality with PostScript®3™ option.

ENVIRONMENTALLY FRIENDLY

At Ricoh we help you lower the environmental impact of your office as well as lowering your costs. Our products have eco-friendly and money saving features such as fast duplex printing and copying, ultra low sleep mode and increased toner yield. Thus, paper, time and energy are saved while waste and costs are reduced. In addition, Ricoh products are Energy Star compliant. This means less CO2 is produced in providing the energy needed to run Ricoh devices.
