

Simple solutions for complex tasks

Small in size, the Aficio™MP C2050 / MP C2550 fulfil a remarkable number of tasks. They copy, print, fax, scan and finish while presenting an outstanding ease of use. Here is true functionality at an attractive cost per page.

Easy operation

With their special handles, the paper trays are very accessible and refills happen fast. Any jammed paper is easily removed from the simplified paper path. Even sophisticated features are straightforward to operate: the MP C2050 / MP C2550 have a user-friendly 8.5-inch colour touch screen.

Versatile printing

Enjoy our MFPs' advanced printer features.

- Print and check samples for maximum efficiency.
- Lock prints and release them when a password is entered.
- Hold prints, to be picked up by one user at one moment.
- Store, or store and print jobs.
- Print PDFs directly.

True all-round solutions

Advanced connectivity

Workflows are increasingly managed digitally. The MP C2050 / MP C2550 scan to e-mail and folder, SD card and USB flash memory. In the interest of security, they can also send encrypted PDFs. If required, you can increase the standard networking capability. Choose from Wireless LAN, Bluetooth and/or other options.

Data security

Authentication and encryption features protect your confidential data. The MP C2050 / MP C2550 are compatible with optional security packages like HDD Data Overwrite, Data Security for Copying, Card Authentication and Secure Print Release.

HDD Data Overwrite.

RICOH

Cost-efficient colour production for all office types

The demands on office document production become ever higher. Digital distribution for a fast turnaround is now standard. Colour is increasingly in demand, but document outsourcing also increases company's operating costs. Ricoh's Aficio™MP C2050 / MP C2550 constitute a welcome alternative. Productive, flexible and compact, these colour MFPs offer excellent value for your money. To serve your particular production needs, they are fully customisable. Discover how a host of cutting-edge capabilities can fit inside a slim design.

MP C2050 / MP C2550

- Sharp and high-quality colour output with new PxP™ toner.
- Excellent productivity at 20/25 ppm in both colour and B/W.
- Duplexing at simplex speed.
- Exceptionally wide media handling.
- All-round functionality: copying, printing, scanning and faxing (optional).
- Unique internal finisher & punch unit.

Useful functionalities close at hand

Excellent performance

Superb colours

Your colour output will look crisp and accurate due to the MP C2050 / MP C2550's PxP™ toner. Quality remains consistent even during longer runs. Print resolution is a truly outstanding 1,200 dpi.

Wide media range

Creating reports, handouts or flyers? The MP C2050 / MP C2550 handle a truly wide variety of paper types. They accept sizes between A3 and A6, from light (52 g/m² via the bypass tray) to heavy (256 g/m² via standard and bypass trays). Glossy and coated papers or card stock are processed effortlessly. Even envelopes and transparencies can conveniently be fed via the standard bypass tray.

Clever business faxing

It takes only one second to scan a fax message, and only two seconds to transmit it. Fax messages can be forwarded to e-mail and to folder. LAN-faxing (directly from PC) and Internet faxing are possible

Only 2 seconds to transmit.

Colour flexibility from start to finish

Flexible scanning

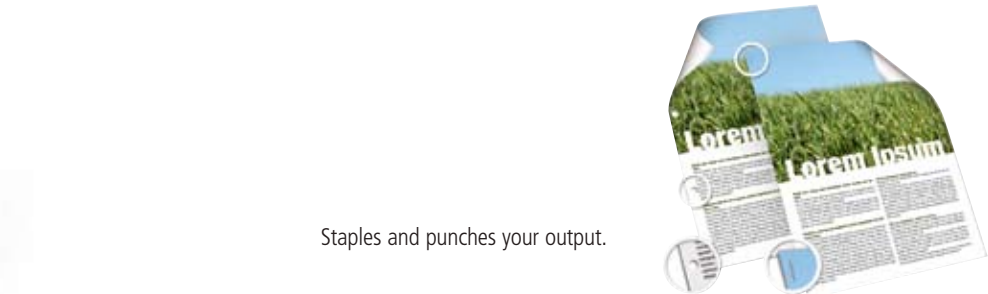

Conveniently send your scanned documents to e-mail or folder with one push of the button. If you wish to avoid burdening your network with extra traffic, scan to URL. Scanning to SD card and USB is optionally available.

Scan to folder, e-mail and URL with one push of the button.

In-house document production

For the MP C2050 / MP C2550, an unique optional internal 500-sheet finisher has been developed. It staples and punches your output. Add to your device's excellent print quality and media handling: you have the perfect office production partner. Limit document outsourcing, and produce a number of professional-looking documents in-house.

Staples and punches your output.

Ricoh green quality

Reliable engines

The MP C2050 / MP C2550's engines are the fruit of years of Ricoh expertise. Their new tandem 4-drums design ensures reliable operation. A simplified paper path reduces the risk of jams, and your machine is continuously available. With a maximum paper capacity of 1,600 sheets, refills are kept to a minimum.

We think green, and you?

'Green' is not just a colour for Ricoh – it is an attitude. Our PxP™ (polyester x polymerisation) toner is produced with significantly less carbon oxide emission than conventional toners. A more direct benefit for you is the MP C2050 / MP C2550's standard duplex unit. Saving paper is kind to the environment as well as to the company budget.
